2020 TCC Satisfaction Survey

- We're asking all TCC members to please complete this year's TCC Satisfaction Survey. This is an annual survey intended to collect your feedback on the TCC meetings, how the coalition is functioning, and how we can improve. Last year, we had 22 responses, and we're hoping to hear from more of you this year. A QR code will be shown during breaks and at the end of today's meeting if you have a chance to complete it today, there will also be a survey link emailed out to the wider distribution list. The survey will be open until the end of May, so if you could please complete the survey by then, we would greatly appreciate it!
